

## CO-PAYMENT NOTIFICATION

If you are being seen by Dr.McAlpine for your annual well woman exam. This appointment will be filed with your insurance company. During this visit Dr.McAlpine will conduct the following:

### A WELL WOMAN EXAM INCLUDES:

- BREAST EXAM
- PELVIC EXAM- To check for uterine or ovarian abnormalities.
- A Pap smear will be done to screen for cervical cancer, and a test for the Human Papilloma Virus (HPV) will be ordered if needed.
- Depending on age, a screening mammogram and bone density will be order.

However, a **co-pay will be required, even if the co-pay is subject to deductible**, if anything else is discussed including problems, hormones, birth control changes, etc. A problem visit will be added to your annual well woman exam today.
