

Fee for No Show/Non Cancelled Appointments

We understand that one can forget things that are important. However a doctor's appointment that is failed to be cancelled 24 hours prior is at great cost to the practice in terms of patient care. We are initiating a fee for no show non cancelled appointments starting immediately. There will be a \$25.00 charge for any appointments that is scheduled and not cancelled 24 hours prior to that appointment time. Please respect our office and fellow patients by showing up for your appointment or cancelling 24 hours in advance.

Thank You,

Dr. David McAlpine and Staff
